- Effective Response Force

Future

Current 2011

Projected 2016

Fire fund \$2.3 million	→	Fire Fund \$500K
Total Staff - 89.75 FTE	→	Total Staff – 84.50 FTE
Calls for Service - 8060	→	Service Calls - 9500+
Response Times - 8:59	→	Response Times - 10:16

Recommendations

- Funding
 - Fire District option
- Staffing
 - Min staffing of 22 during peak hours
 - Add additional Medic Units
- Training
 - Increased complexity
- Data Analysis
 - Understanding the trends

Recommendations

- Fleet Replacement
 - Engines 18 years old
- Communications
 - Meeting federal mandates
- Care Facilities
 - Building cooperation
- Prevention
 - Continuing importance of hazard reduction programs

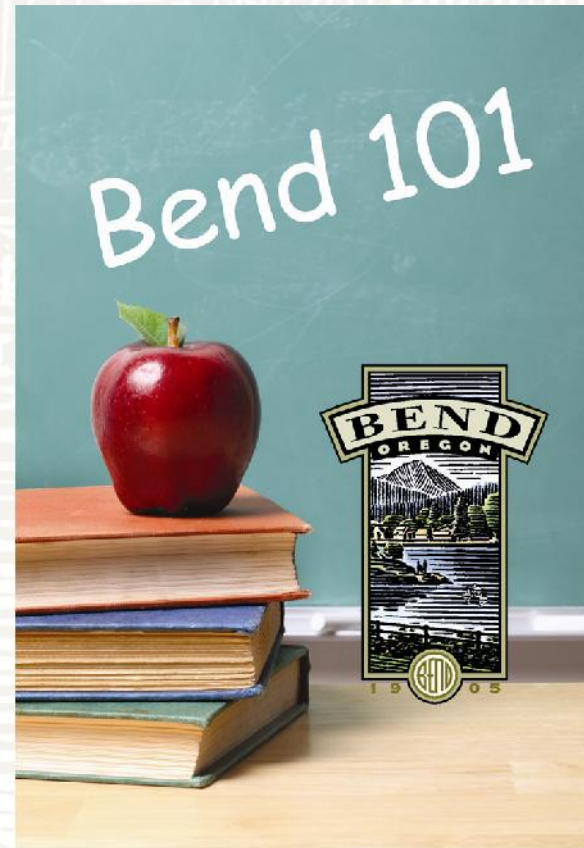

- Stations
 - Central station to impact response times
- Traffic System
 - Work with traffic engineering
- Technology
 - Use technology wisely
